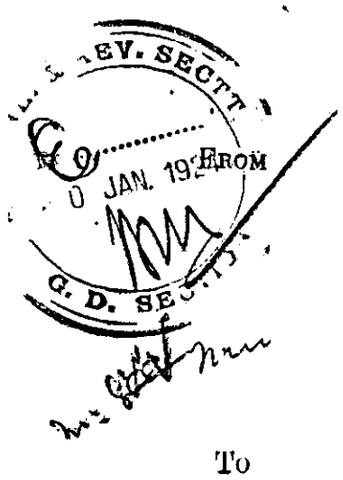
OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Dated, Bangalore, the 5th January 192-



T. SATYARAJ CHETTY Esq., B. A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore.

To

K. Matthan, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

I have the honour to state that the Local Examination Office of the Education Department when it was a separate office, was in receipt of a fixed contingent allotment of Rs.20 per month which was being drawn on Establishment bills. This sum was continued to be drawn even after it formed a section of the Office of the Inspector General of Education Since the Inspector General holds a permanent advance, he was requested to discontinue drawing the fixed contingent allotment of Rs.20 and to submit for preaudit regular bills for contingent charges required for the Examination section. In the bills received for preaudit, the Inspector General had included charges for stationery, which are usually supplied by the Government Stationery Depot and objection was taken by this office for the purchase of such articles. A copy of the Inspector General's reply to this office objection is sent for reference.

In Government Order No.G.2475-974 P&S.28-20 dated 21st June 21, Government directed that articles of stationery may be supplied from the Government Stationery Depot to certain offices and institutions which were not till then in receipt of such articles. I request that the Examination Section of the Inspector General's Office may be added to the

the list of offices to which articles of stationery are supplied from the Government Stationery Depot.

I have the honor to be,

Sir,

Your most obedient servant,

J. Sailypaychey

Comptroller.

Local Examination Section,
Office of the Inspector General of Education,
Bangalore, dated 26th November 1923.

Reference- Comptroller's Office objection slip Memo No.
(Token No.1457).

The Local Examination Section had till recently been getting a separately monthly contingent allowance of Rs.20/- allotted to it specially as an Examination Section (G.O.No.6660-1/Edn.46-17-16 dated 20th January 1919- reorganising the Local Examination Section) out of which it was purchasing its own stationery. It has therefore never been included in the list of Departmental offices to which the Government Stationery supplies articles and has consequently never received any such supply from the stationery depot.

In accordance with the arrangement proposed by the Comptroller himself and accepted by this office, the system of monthly contingent has been replaced by the arrangement of the L.E.Office being allowed Rs.240 a year, out of the contingent allotment of Rs.4,000/- provided for the office of the Inspector General of Education, and the L.E.Office is allowed to purchase the materials required for its use and have the cost recouped by means of D.C.Bills.

As it is a special section, unlike the general sections and its requisites are of a special nature, the above procedure has been adopted in its case, as suggested by the Comptroller.

The objection may therefore be kindly withdrawn and the bill lited and returned.
